## About Us

Located in the center of prime big game country, **Tracks N Trails** is proud to be one of the best Whitetail Outfitters in Alberta. The main camp has access to farm country, forest areas and the fringe territory in beautiful West-Central Alberta, Canada. From there, expert guides will escort you to pre-scouted areas in search of trophy quality big game. **TnT** will provide you with life-long memories of an exciting and rewarding hunt. Our area has produced outstanding trophy quality animals for previous clients and will continue to do so in the future.

- **TnT** focuses on Trophy Whitetail hunts with additional opportunities for Mule Deer, Moose and Elk.
- Hunting methods include: stand hunting, spot and stalk, organized drives, rattling and calling.
- Camp includes excellent home cooked meals, comfortable lodgings with all the modern conveniences and hunting grounds right out your back door.

When you book with **TnT**, you can be sure the guides will be knowledgeable and friendly, the areas you hunt will have the game you desire and the outdoor experience will be all you expect it to be. **TnT** is operated by people who care about the success of your hunt and the quality of your adventure. Join us in Alberta for your next big game hunt.

## General Information:

- Ground transportation is supplied from the designated airport to the hunting site.
